

## **Middlefield Junction Advisory Committee**

### **Statement of Purpose**

The Middlefield Junction Advisory Committee members are dedicated to creating a forum in which the following may be achieved:

1. Share insight, both personal and professional, related to the planning for development and operations of Middlefield Junction.
2. Bring the concerns of the local community to the attention of the committee and discuss issues pertinent to the development including, but not limited to:
  - a. Security, lighting, pedestrian areas
  - b. Parking, traffic, and site circulation
  - c. Neighborhood/community use of the dedicated community space
3. Communicate with local organizations and constituencies regarding progress and challenges related to the overall development.
4. Discuss ways to ensure that the Middlefield Junction development is well integrated in the community.
5. Review resident services and property management plans and approach.

The committee will meet in the spring and fall of 2020 (2-3 times during predevelopment) and three to four times a year during construction.

The 1<sup>st</sup> meeting of the Advisory Committee occurred on September 25, 2019, at which the Committee members determined that generally Tuesdays, 6:30-7:30 pm, would be the most convenient. The meeting location will be at the offices of El Concilio at 3180 Middlefield Road.
